

TBAS LUNCH PROVIDER INFORMATION

- TBAS needs lunch for 15 students.
- Lunch usually consists of a main dish, a side (fruit, vegetables, salad, chips, etc.), a dessert and a drink (white or chocolate milk, juice or water). The school provides the plates, silverware, cups and napkins (unless you'd like to contribute those too). There is a fully operational kitchen at the school with a stove, an oven, a microwave and a refrigerator that are available for use.
- Lunch for the 2011-2012 school years is served from 12:30 p.m. – 1:00 p.m. Please deliver *ready-to-serve* meals in between 12 and 12:15 p.m. to The Bridge Avenue School located at the Blessed Sacrament Family Ministry Campus (BSFMC) at **3389 Fulton Rd.** in Cleveland. Upon arrival at the school, call Dan McElwain at 216-965-8426 to let him know lunch has arrived. Next, check in at the BSFMC Main Entrance Visitor desk and you will be directed to the southeast corner of the building where there is a handicapped entrance to the cafeteria. Someone will unlock the door for you to deliver the meal inside.
- If you can stay and help with the set-up and clean-up of lunch, we would GREATLY appreciate it!
- If a conflict arises and you are unable to prepare and deliver your meal as scheduled, please notify the school ASAP at 216-298-9006. If you are aware of a conflict in advance, please call Jodee Hunger at 440-871-2138 (home) so that a substitute can be arranged.
- Prepared and ready to freeze meals may also be delivered to the school (during school hours) to be used on those days that are still unscheduled and/or for emergencies.
- Call Grace Rhodes at 216-228-1176 if you'd like to help the lunch program (donate food items), but are unable to make an entire meal and deliver it.
- Visit www.thebridgeavenueschool.com and click on the "CALENDARS" icon to check the lunch schedule.
- If you have any further questions about the program, please contact Jodee Hunger at 440-871-2138, or email at jd.hunger@gmail.com.

With appreciation and thanks,

The Bridge Avenue School
